RE: C00432401

Dear Mr. Kaye:

We have amended our April Quarterly Report to answer the questions outlined in your letter. In response to question 1, we have clarified the descriptions of disbursements made. In response to question 2 regarding travel and subsistence reimbursements, we have itemized out vendors who have received more than \$200 in the Election Cycle.

During the process of amending this report, a data entry error was discovered that affected our total receipts. Therefore, we have also amended the April Quarterly Report to correct that error. We have also included an amendment to the July Quarterly report, due to the change in Column B totals.

Thank you,

Susan Landow
